Residential and Small General Service

Lake Wenatchee, Dryden and Peshastin Wastewater Systems

RESIDENTIAL USERS AND SMALL GENERAL SERVICE

Residential users will be charged a flat rate for each single-family residence. Residential users with additional dwelling units, duplexes, apartments, and small general services will be charged based on the total number of equivalent residential units (ERU). One ERU will be considered to have a flow of 6,000 gallons per month (gpm).

RATE SCHEDULES LAKE WENATCHEE RESIDENTIAL (783) AND SMALL GENERAL SERVICE (785); DRYDEN RESIDENTIAL (71) AND SMALL GENERAL (72); AND PESHASTIN RESIDENTIAL (792) AND SMALL GENERAL (795)

RESIDENTIAL BILL ASSISTANCE AVAILABILITY

A 25% monthly discount on the Basic Charge may be available to Residential customers whose combined household income does not exceed the higher of 80% of the Chelan County Area Median Income or 200% federal poverty level, adjusted for household size. The discount will be applied to bills dated beginning June 1, 2026, will not exceed the total monthly bill, and is limited to one residential wastewater connection per customer, per household.

Large General Service

Large general service users will be charged a flat rate based on the total number of equivalent residential units plus a volume charge for amounts discharged in excess of the allowance included in the flat rate.

The volume charge will be based on actual metered use of the wastewater system. The metered usage will be obtained either by a wastewater meter, when one is installed, or by the metered water usage.
