The Customer listed in the Customer Billing Information section warrants and represents that all of the above provided information is true and accurate and this Application is being signed under penalty of perjury. In the event Chelan PUD finds that any of the information herein provided is untrue and/or inaccurate, Customer agrees and acknowledges that as such, Chelan PUD has no obligation to approve the Application and if Electric Service has been provided, Chelan PUD has good cause under Utility Service Regulation Section 12 and may disconnect Electric Service.

The Customer agrees, as a condition of Chelan PUD providing and continuing service to the service address, to comply with all provisions of the current resolutions, or latest thereof, and other such rules and regulations now existing, or which may be established from time to time governing the public electrical system. Furthermore, the customer agrees to waive claims against the Chelan PUD or its agents or employees for damages and/or loss of production, sales or service, or disruption of electrical supply for repair, routine maintenance, power outages, and other conditions normally expected in the operation of the electrical system.

The Customer acknowledges and agrees in the event this Application is approved and Electric Service is provided by Chelan PUD, this application incorporates by reference all Chelan PUD rules, regulations, policies and rate schedules as now exist or as may be hereafter amended, and Customer's acceptance of Electric Service constitutes a contract between the Customer and Chelan PUD.

The individual executing this Application represents and warrants that they are the Customer for which they are signing and have sufficient permission to execute this Application.

LETTER OF AUTHORIZATION

For Chelan County PUD project

This form must be submitted in conjunction with an application for construction service when the customer's name on the PUD application does not match the property owner name on Chelan County Assessor's site. This is essential in providing satisfactory permission to use land/building(s) impacted by any new or altered Chelan County PUD service and/or facilities.

SERVICE INFORMATION

Service address: _____ City: _____

Assessor Parcel /Geographic ID (12 digit) #: _____

Site # (if applicable) _____ Site Name (if applicable) _____

Legal Property Owner: _____ Phone: _____

AUTHORIZATION

I, _____, owner of the "service information" listed above, do hereby give permission
(Owner Name)

and authorization to _____ to:
(Customer Name on Application as known as Applicant)

- Apply and request a new or altered project with Chelan County PUD
- Utilize the parcel/land/site/building listed above for a line extension, facility modification and/or new or altered service as requested on the application with Chelan County PUD

I have read Chelan County PUD's Electric Line Policy and have reviewed the Electric Service Application.¹ I agree to be bound by the same terms as the Applicant if the Applicant fails to meet its obligations under the Application.

Property Owner Signature: _____
