Graham,

I reviewed the FS info and from my perspective it looks good. Hopefully we'll have a new fish bio on in the near future.

WDFW, NPS and USFS Staff – Sending out my final draft to each of you wanting to make sure I captured your edits before sending this out to the entire LCFF distribution list. Can you take a quick look and let me know if you need changes. Once review is completed the PUD will send it out the larger forum LCFF distribution list and ultimately be the last set of eyes on this before its finalized.

Travis – No need to reply just come chat with me if I missed anything and we can capture your edits.

Jeff – I know we spoke briefly about sending this out so I hope you did not mean to the entire LCFF list. Either way we can get this completed over the next week or so when you get back from leave.
