Good Morning All,

Attached is a redraft of our 2006 Rocky Reach Historic Properties and Cultural Resources Management Plan. Cultural Resource Consultants updated the plan using a similar format to the updated HPMP for Lake Chelan. The plan contains information on implemented license measures and reflects changes over the last eight years. Please review and, if you have comments or questions, please have them to me by May 30, 2014. Thank you.
