ADDENDUM ONE

This document serves as addendum number one to the Department of Information Services Customer Service Agreement. The purpose of this addendum is to add the following optional provision to your existing Customer Service Agreement.

The following provision is added to Section 1 of your Customer Service Agreement:

1. **CUSTOMER PAYMENT OF SERVICE CHARGES**

   MASTER AND NEGOTIATED AGREEMENT FEES - Customers are required to reimburse DIS for costs associated with the development and maintenance of master agreements. Charges for use of certain DIS master agreements are based on a use fee of one-half of one percent (.5%) of the total purchase amount. At the sole option of the Customer, the use fee may be paid directly to the Contracted vendor along with the purchase payment; or as an alternative, DIS will invoice Customer for the use fee and Customer may then make payment directly to DIS. For all use fees which exceed $5,000.00 Customer agrees to make payment directly to DIS.

CUSTOMER SERVICE AGREEMENT

CONTRACT NUMBER N020

THIS AGREEMENT is made and entered into this 25th day of September, 1991, by and between the Department of Information Services, located at 1110 S.E. Jefferson Street, MS: PC-11, Olympia, Washington, 98504, referred to in this agreement as "DIS" and Chelan County PUD referred to here as the "Customer."

The Department of Information Services (DIS) is authorized under RCW 43.105 to provide information services. This Customer Services Agreement (CSA) is the interagency agreement under which DIS provides services to the Customer. The CSA describes the general terms and conditions applicable to any service provided by DIS.

DIS services will be provided according to an order supplement signed by the Customer and DIS under the general terms of this Agreement. Order supplements will be provided by the DIS service provider and differ depending upon the service offering. Each order supplement will include the nature of the specific services to be provided, the term, the cost of such services from the then-current rate schedule, and any other terms and conditions applicable to that service. For programming and consulting services, the order supplement will include a specific Statement of Work to be performed. The Statement of Work shall be used to define the Customer information services work to be performed by the DIS.

All order supplements are incorporated as addenda to this Customer Service Agreement.

The parties agree as follows:

1. CUSTOMER PAYMENT OF SERVICE CHARGES

SERVICE CHARGES - Charges for services provided by DIS will be based on the current published DIS rate schedule, plus the cost of all materials related to providing the services, as described in the order supplement. Rate schedules are subject to change. The current published rate schedule supersedes and replaces all previous published rate schedules.

ESTIMATES - DIS can provide, upon Customer request, an estimated cost for services (service estimate order supplement). The estimate is not a guaranteed cost. The Customer agrees to pay actual use charges, whether or not the scope of effort is completed within the estimated period. DIS agrees to notify Customer as soon as possible when and if the estimated total will be exceeded, and Customer may terminate the service estimate order supplement, paying only for effort expended at that time. All other order supplements are terminated in accordance with section three, TERMINATION.

TAXES - The amounts payable for services under this Agreement, generally, do not include any amount for taxes. If DIS is required to pay sales or use tax in order to provide the service, such taxes will be added to Customer charges.

PAYMENT - DIS will send Customer a monthly invoice detailing charges for any services rendered by DIS during the preceding month. Payment is due upon receipt of invoice by Customer and becomes in default 30 days thereafter.
A late payment charge may be applied against any remaining balance 60 days after date of the invoice. Late payment charge, if any, will be imposed on the unpaid balance at a periodic rate not to exceed the monthly interest rate paid by the state treasurer.

Agreements with balances more than 90 days past due can be terminated under the TERMINATION provision of this Agreement.

Amounts under dispute/appeal by Customer are not subject to a late payment charge.

2. **TERM OF THE CUSTOMER SERVICE AGREEMENT**

This Agreement is effective on the date of acceptance by Customer and remains in full force and effect until terminated by either party in accordance with the TERMINATION provision.

3. **TERMINATION**

**ELECTIVE TERMINATION** - Either Customer or DIS may terminate this Agreement or any work covered by an order supplement with 90 days written notice to the other party.

**TERMINATION FOR CAUSE** - If for any cause, Customer or DIS does not fulfill in a timely and proper manner its performance obligations under this Agreement, or if either party violates any of these terms and conditions or warranties, then the aggrieved party will give the other party written notice of such failure or violation. The responsible party will correct the violation or failure within 15 working days. If the failure or violation is not corrected, this Agreement may be terminated immediately by written notice from the aggrieved party to the other party.

Upon termination of this Agreement, Customer will pay any charges for services which may be due.

**TERMINATION OF AN ORDER SUPPLEMENT** - Services specified in the order supplement may be terminated by either party for the reasons and in the manner outlined above.

4. **LIMITATIONS OF LIABILITIES / REMEDIES**

The Customer and DIS agree that the following remedies and limitations of liability will apply to the services provided under this Customer Service Agreement, unless otherwise agreed by the parties.

**NONCONFORMING INFORMATION SERVICES** - For any information services which fail to conform to the agreed upon terms and conditions and are caused solely by the negligence of DIS, there will be no charge for the services in question. If both parties are negligent, the parties agree to apportion the damage attributed to its actions. Customer will be solely responsible for any damages caused in whole or in part by inaccurate or inadequate input data, programs, or software furnished by Customer to DIS.

**LOSS OR DAMAGE TO CUSTOMER SUPPLIED DATA** - For any loss or damage to Customer supplied data or programs due to negligence on the part of DIS employees, DIS' liability for such loss and damage shall be limited to the replacement or regeneration of lost or damaged data from Customer's supporting material. Customer will retain sufficient supporting material, as specified in the order supplement, to enable DIS to regenerate card, tape, or disc files, printer
output, or any other data furnished to DIS by Customer.

EQUIPMENT DAMAGE - For any equipment damaged as the result of negligence by either party, that party will be obligated to repair or replace that equipment. If both parties are negligent, parties will agree to apportion the damage attributed to its actions.

APPLICATION PROGRAMS/SYSTEMS - Computer application programs/systems furnished to Customer by DIS at no charge to Customer are furnished on an "as is" basis with no representations regarding its use or results.

DAMAGES - Neither DIS nor Customer will seek damages, either direct or consequential, against each other in addition to the remedies stated herein.

5. THIRD-PARTY CLAIMS

Customer and DIS agree that in the event DIS is found liable for damages to third parties as a result of the performance of services under this Agreement, Customer and DIS will be financially responsible for the portion of damages attributable to its own acts and responsibilities under this Agreement.

6. DISPUTES/RIGHTS OF APPEAL

NOTICE - Customer will promptly notify DIS of disputes regarding invoices, or of services which Customer believes do not conform with the agreed upon terms of this Agreement or an order supplement within 30 days of receipt of invoice or performance of services. Failure to object and give written notice within 30 days after receipt of invoice or performance of services constitutes a waiver of any objection to services or disputes about payment.

DISPUTE RESOLUTION - Questions of fact arising from this Agreement which cannot be resolved by Customer and DIS will be resolved according to the Information Services Board Policy and Procedure for Dispute Resolution. The parties agree to proceed diligently with the performance of services requested under any order supplement while any dispute is pending.

Neither DIS nor Customer will sue the other for claims arising from disputes concerning payment. This shall not preclude, however, DIS from pursuing collection actions if necessary to recover charges for services.

7. CUSTOMER DATA, RECORDS AND SECURITY

Any records, documents, or other property of Customer, in any medium, which are furnished by Customer to DIS, will remain the property of Customer unless otherwise agreed. DIS will not disclose or make available this material to any third parties without authorization by Customer. All public records requests regarding Customer material will be referred to Customer for response. Customer will reimburse DIS for any fees assessed to comply with Public Records Act under RCW 42.17.

DIS will utilize reasonable security procedures and projections to assure that Customer material is not disclosed to third parties.

8. MISCELLANEOUS

ASSIGNMENT - This Agreement may not be assigned by either party without the written
consent of the parties.

WAIVER - If a breach of a provision is waived for a particular transaction or occurrence, it does not mean that the same breach will be waived for a subsequent similar transaction or occurrence.

SEVERABILITY - If any term or condition of this Agreement or application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition or application.

NOTICES - All notices and communications which may be required by this Agreement shall be in writing and sent (if to the DIS) to:

3.3.2 MASTER CONTRACT AND NEGOTIATED AGREEMENT FEES - Contract administration fees are charged to customers for use of DIS-established master contracts and negotiated agreements. Specific fees are established for each master contract and negotiated agreement as a means for DIS to recover costs associated with the establishment, maintenance, and administration of the contracts and agreements. The fee shall be paid directly to the master contract vendor along with the purchase payment.

3.3.3 ESTIMATES - DIS may provide, upon Customer request, an estimate of costs for proposed products and services. Specific services addressing costs, schedules, and other factors will be described in the associated Order Supplement. Customer is responsible for paying the agreed amount set forth in the Order Supplement.

Amounts disputed by Customer under Section 3.5 are not subject to late payment charges.

3.3.6 PREPAYMENT - DIS may require Customer to pre-pay estimated charges if Customer has previously made late payments on outstanding balances.

3.4 LIMITATION OF LIABILITIES AND REMEDIES

3.4.1 NON-CONFORMING SERVICES - For any DIS-provided services which fail to conform to the specifications of this Agreement or an Order Supplement hereof, and such failure is caused solely by the negligence of DIS, no charge will be invoiced. If both parties are negligent, they agree to apportion between them the damage attributable to the actions of each. Customer is solely responsible for any damage caused in whole or in part by inaccurate or inadequate data, programs, or software furnished by Customer to DIS.

5. MASTER CONTRACT LEASES AND PURCHASES

5.1 COOPERATIVE PURCHASING - Pursuant to Chapter 39.34 RCW and to other provisions of law, DIS and Customer hereby agree to cooperative governmental leasing and purchasing. DIS, in contracting for the lease and purchase of information technology goods and services, agrees to contract also on behalf of Customer, to the extent permitted by law and agreed upon by the parties in exchange for the fee described in section 3.3.2 of this Agreement.

5.2. COMPLIANCE WITH LAWS AND REGULATIONS - DIS will contract for the lease and purchase of goods and services according to applicable laws and regulations. Customer accepts responsibility for compliance with any additional or varying laws and regulations governing leases and purchases by or on behalf of Customer.

5.3 TERMS OF MASTER CONTRACTS - A Master Contract is a competitively acquired contract executed by DIS and a vendor enabling DIS and other public sector entities that are parties to this Customer Service Agreement to purchase goods and services from that vendor. When DIS contracts to lease or purchase goods and services on behalf of customers, DIS may lease or purchase goods and services covered by the contract on the same terms and conditions as DIS. Such a lease or purchase by Customer may be accomplished by a purchase order directed by Customer to the third party vendor. DIS is not responsible for vendor performance of any lease or purchase contracts, nor is DIS responsible for payment by Customer.

5.4 CONVENIENCE RATHER THAN MANDATORY BUY - Customer may contract independently for the lease or purchase of any particular class of goods and services.
6. TREATMENT OF ASSETS

6.1 PROPERTY TITLE - Title to all property furnished by DIS shall remain in DIS. Title to all property purchased by the Customer for which the Customer is entitled to be reimbursed as a direct item of cost under this contract shall pass to and vest in DIS upon completion, termination, or cancellation of this contract.

6.3 LOSS OR DAMAGE - The Customer shall be responsible for any loss or damage to property of DIS which results from negligence of the Customer or which results from the failure on the part of the Customer to maintain and administer the property in accordance with sound management practices.

6.4 NOTIFICATION - If any DIS property is lost, destroyed, or damaged, the Customer shall immediately notify DIS and shall take all reasonable steps to protect the property from further damage.

6.5 SURRENDER OF PROPERTY - The Customer shall surrender to DIS all property of DIS prior to settlement upon completion, termination, or cancellation of this Agreement.

6.6 CUSTOMER EMPLOYEES OR AGENTS - All reference to the Customer under this clause shall include any of his or her employees or agents.

7. RIGHTS IN DATA

Unless otherwise provided in an Order Supplement describing specific services, data which originates from this contract shall be "works for hire" as defined by the U.S. Copyright Act of 1976, and shall be owned by DIS. Data shall include, but not be limited to, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, film, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register and the ability to transfer those rights. Customer shall notify DIS promptly, in writing, of each notice or claim of copyright infringement received by the Customer with respect to any data delivered under this contract. In the event that DIS provides application development services to Customer, Customer will enjoy a perpetual royalty-free license to use any custom application code developed exclusively for it.
