<p>Team Parks: Jessica Stuart, Kevin Scott, Benito Vivar, Chris Glasspool, Kyle Endelman</p>	<p>Parks employees Jessica Stewart, Kevin Scott, Benito Vivar, Chris Glasspool and Kyle Endelman demonstrated operational excellence and safety recently while dealing with a local wildfire in the Chelan area. Our outstanding employees were willing to change their weekend plans, stayed after their shifts, and maintained communication through the event to ensure the safety of our campers at Beebe Bridge Park. Staff demonstrated their poise with campers when the fire was closing in and the park patrons were unsure of what to do. Staff calmly reassured campers of the evacuation levels and provided options and kept campers apprised of the fires status. Park staff should be recognized for their efforts and sacrifices. Thank you!</p>
