

CHELAN COUNTY

**July 2018**  
**Cycle of Personal Ownership**

***Winner***

Nominee	Details
<p><b>Josh Miller, John Barnett, Jess Haag, James Elliot</b></p>	<p>After dealing with tragedy within their department, this crew showed great dedication to their work by spending many overtime hours ensuring RI Dam had domestic water supply for PH1 and all Douglas County offices. This work included working in a dangerous environment and working difficult wiring schematics that were not known of prior. They did this to make sure the plant had water supply through the weekend instead of requiring plant personnel to have to personally monitor the system, that of which manpower was not available. Kudos to these guys for doing what it takes.</p>
