**Subject:** HDL comments received

Hello –

Last week I received comments from Scott Parsons in support of raising the rates on HDL. He came in person on Tuesday the 19<sup>th</sup>, assuming the Board meeting was postponed due to the MLK holiday on Monday the 18<sup>th</sup>. He had intended to attend the afternoon session and voice his opinion.

I apologize for the delay in relaying this information to you.

Thanks,  
Teresa Boushay
