Date:

NOTE:

The conditions of wastewater availability stated within this form expire within one year of the wastewater system personnel's signature date. A new wastewater availability form shall be resubmitted after this date to confirm wastewater availability.

This checklist was prepared to help applicants comply with the requirements concerning the adequacy or inadequacy of the local wastewater system's ability to serve the referenced property and conditions under which it may be served. The information provided is intended to summarize the wastewater system's capacity and the required improvements, if any are needed to provide wastewater service.

**THIS FORM IS FOR WASTEWATER REVIEW ONLY. SEPARATE FORMS ARE REQUIRED
FOR ELECTRICAL AND WATER SERVICE.**
