Why:
Because the city of Wenatchee is widening Pine Street, Chelan PUD must move electrical poles, overhead power and fiber lines, as well as underground water services.

What:
Chelan PUD will move electrical poles, overhead power and fiber lines, as well as underground water services along Pine Street between Walnut and McKittrick Streets.

Timeline:
- The PUD will begin work the week of July 22. The PUD plans to finish its work before the city of Wenatchee’s contractor begins the road construction project.
- Construction on the city of Wenatchee’s project is expected to start in August and be completed in early November.

Keep in mind:
- Short-term power outages will be scheduled. You will be notified by phone prior to the outage.
- There may be flaggers and short traffic delays. Some on-street parking may be temporarily impacted.
