Mission Creek

**What:**
Chelan County PUD is rebuilding about 1,500 feet of overhead power lines along Mission Creek Road near Cashmere. The PUD will replace poles and install new electrical wire. The new poles will be installed next to where the existing poles are removed, in the right of way.

**Why:**
To replace aging electrical facilities. The upgrades will reduce restoration time during power outages and increase reliability.

**Power outages:**
- Short-term power outages may be needed
- You will be notified about the schedule and duration of the outage

**Schedule:**
- Preliminary work started the week of July 22
- Construction work begins the week of August 12 and should last 2 weeks
- Working times are generally Monday through Friday, 7:30 a.m. to 3:30 p.m.

**Things to keep in mind:**
- Watch for lane closures and flaggers
- Large excavation equipment and power tools will be used
