**WHAT:**
Chelan County PUD is rebuilding approximately 1,600 ft. of overhead power lines in the White Birch Place neighborhood in Cashmere. The project includes pole replacement and installation of new electrical wire. Some replacement poles will replace existing poles and some will be moved depending on right of way and easements.

**WHY:**
To upgrade and replace aging electrical facilities. The upgrades will reduce restoration time during power outages and increase reliability.

**POWER OUTAGES:**
- Short-term power outages may be needed
- You will be notified about the schedule and duration of the outage

**SCHEDULE:**
- Pole replacements begin the second week of November
- Work will continue until mid-December
- Working times are generally Monday through Friday, 7:30 a.m. to 3:30 p.m.

**THINGS TO KEEP IN MIND:**
- Watch for lane closures and flaggers
- Large excavation equipment and power tools will be used
- Access to homes and driveways will not be affected
