WHAT:
Chelan County PUD will replace an aging water main. This work is a continues the project started in 2009 to replace the water main in this area.

WHY:
The aged steel water main is approaching the end of its useful life and has required several costly leak repairs. The new ductile main will provide improved reliability and hydrant flow for fire protection to the area.

SCHEDULE:
- Work is scheduled to begin the week of May 5 and last about 6 weeks
- Working times are generally Monday through Thursday, 7 a.m. to 6 p.m.

OUTAGES:
- Customers who will experience a water outage as a result of the work will receive notification approximately two days in advance of scheduled outage
- An approximate duration of the outage will be given at that time

THINGS TO KEEP IN MIND:
- Sage Hills trailhead parking will remain open on the corner of Number 1 Canyon Rd. and Sage Hills Dr.
- Please use caution when driving, walking, or biking on the lower portion of Sage Hills Dr. as trucks and heavy equipment will be present
- Access to driveways may be periodically limited during working hours
- One-lane traffic will remain open at all times with flagging
