

# Planning our energy future

## **Public meeting on June 9**

Chelan County PUD is writing an Integrated Resource Plan as required by state law. The plan outlines the sources of power needed to supply PUD customers for the next 10 years.

Join PUD commissioners as we continue the process:

- At 1 p.m. on June 9
- In the PUD boardroom, 327 N. Wenatchee Ave.

Two more meetings will follow and the public is invited to comment throughout the process.

More information is available on the PUD's Web site at [www.chelanpud.org](http://www.chelanpud.org) under "News."
