

Lake Chelan License

November 27, 2006

Recommended Action

- Accept License
- Seek Rehearing

Why Seek Rehearing?

- Material Changes From Settlement Agreement
 - Eliminate Cost Caps – License Article 402
 - Bring Lands Into Project Boundary – License Article 406
 - Eliminate Required Whitewater Boating Liability Insurance – License Article 407

Cost Caps

- FERC perspective
- Settlement Agreement

Project Boundary

- FERC perspective
- Settlement Agreement

Liability Insurance

- FERC perspective
- Settlement Agreement

Next Steps

- File rehearing request by December 6
- Work with stakeholders to develop alternative solutions
- Work with FERC separated staff to get clarification and/or develop solution
- Wait for FERC to issue “Order on Rehearing”

Questions

- Implementation does not stop
- Questions?

Resolutions

- Reach 4 Habitat Enhancements
- Pump Station
- Low-level Outlet (at dam for minimum flows)

Columbia River

Reach 4 of Chelan River
