

You're invited

Chelan County PUD commissioners will hold a hearing at 1 p.m. on Nov. 3, 2008, in the boardroom at 327 N. Wenatchee Ave., to consider adopting proposed standards for:

- Smart grid investment
- Smart grid information

The federal Public Utility Regulatory Policies Act (PURPA), as amended by the Energy Independence and Security Act of 2007 (EISA), requires electric utilities to consider these standards and to adopt, or not adopt, them as appropriate. Chelan PUD issued a request for public comment on Oct. 5, 2008. For details, visit **www.chelanpud.org** and click on "Customer Services," then "PURPA."

If you plan to take part in the hearing, please notify Carol Wardell, presiding officer, at 661-4316 by Oct. 24, 2008.
