NEW ON THE WEB SITE: The Chelan PUD relicensing team is happy to announce that the photo archive for the Lake Chelan Hydroelectric Project is now online on the PUD's relicensing Web site, <http://www.chelanpud.org/relicense/LCphoto/photoindex.htm>. This photo inventory contains hundreds of photos. You can view pictures taken when the project was being constructed in 1926-28, or you can see pictures of the relicensing effort today. A map of the lake helps guide users to photos of selected regions. If you have any comments or suggestions, please contact Steve Lachowicz at (888)663-8121, Ext. 4339, or by e-mail at stevel@chelanpud.org.
