Natural Sciences Working Group (TDG & Anadromous Fish Subcommittees)

November 09, 2000, 9:00AM – 3:30PM
Second Floor Conference Room
Chelan PUD Office, 327 N. Wenatchee Ave.
Wenatchee, WA – Phone: (509) 663-8121

Please contact Scott Kreiter/Steve Lachowicz if you cannot attend

Meeting called by: Scott Kreiter/Steve Lachowicz
Attendees: Natural Sciences Working Group (TDG & Anadromous Fish Subcommittees)

Purpose and desired outcome:

1. Review and discuss study reports
2. Review and discuss 2000 study reports
3. Review/develop study plan outlines for 2001

Desired participation: All working group members should be prepared to offer comments on study updates and to discuss the relationship of existing license issues (TDG, anadromous fish, HCP) to relicensing
