Wenatchee, WA 98801

# Natural Sciences Working Group (TDG & Anadromous Fish Subcommittees)

February 21, 2001, 9:00AM – 1:00PM  
Rocky Reach 4<sup>th</sup> Floor Conference Room  
(7 miles north of Wenatchee on Hwy. 97A)  
Wenatchee, WA – Phone: (509) 663-8121

**Please contact Scott Kreiter/Steve Lachowicz if you cannot attend**

**Meeting called by:** Scott Kreiter/Steve Lachowicz  
**Attendees:** Natural Sciences Working Group (TDG & Anadromous Fish Subcommittees)

**Purpose and desired outcome:**

1. Review and discuss 2000 study reports
2. Review 2001 detailed study plans
3. Tour Rocky Reach bull trout trapping facility

**Desired participation:** All working group members should be prepared to offer comments on study reports, study plans, and the relationship of existing license issues (TDG, anadromous fish, HCP) to relicensing
