Re: Rocky Reach Project No. 2145
July 24 Working Group Meeting

The July 24 Social Sciences Working Group meeting has been cancelled. In lieu of the meeting, we will be scheduling meetings with individual stakeholders or groups to continue discussion on specific issues.

As discussed in the June 26 Social Sciences Working Group meeting, we will begin writing the Rocky Reach Recreation Resources Management Plan. Much of what we discussed on June 26 and subsequent recreation discussion and decisions will be included in the Recreation Plan. Review and discussion of an early draft Recreation Plan will occur during the August 28 Social Sciences Working Group meeting.

Thanks, Michelle
