PME 5 Managed Access, low impact nature trails on WDFW-owned mitigation lands

Proposed PME <u>Recreation Resources Management Plan</u>	<i>Proposed actions involving PUD parks and/or lands</i>	<i>Proposal Details</i>	<i>Resolving Issue</i>
5. Managed Access, low impact nature trails on WDFW-owned mitigation lands to provide opportunities for nature walks.	Working with WDFW determine opportunities for low impact nature trails.	Working with consultant Tom Atkins develop concept drawings showing opportunities for nature walks and non-consumptive activities on mitigation lands owned by WDFW.	Future demand for nature walks, SCORP survey results.
