PME 8 Monitoring and Evaluation Cycles

Proposed PME <u>Recreation Resources Management Plan</u>	<i>Proposed actions involving PUD parks and/or lands</i>	<i>Proposal Details</i>	<i>Resolving Issue</i>
8. Monitoring and Evaluation Cycles	Form a recreation advisory committee to evaluate recreation use and needs throughout the license term.	The advisory committee will be comprised on local, state and federal agencies to evaluate current recreation practices, needs, trends, and dispersed recreation. The committee would meet every six years consistent with the PUD's Form 80 report to FERC.	Adaptive management
