25 minutes

Michelle Smith and Suzanne Bacon – presenters

Kris Pomianek introduced

- The purpose of the presentation was to discuss the Relicensing Process, educating the group on the history, purpose, community value, and the regulatory challenges.
- Kris began by explaining that she has been with the PUD now for 6 months and what an incredibly interesting experience it has been.
- Michelle next explained the formation of the relicensing team and the work groups as well as a bit about the “behind the scenes” process.
- Suzanne then discussed the documents and a bit about the incredible regulations involved in the relicensing process.
- She talked about the Lake Chelan Process as well as the expectations ahead for Rocky Reach.
- Suzanne showed the PDEA and the large poster that depicts the timeline for the Rocky Reach relicensing process through 2006.
- The group seemed very interested and asked some good questions regarding the cost of relicensing as well as more details on the regulations facing the process and the agency challenges.
- Both Michelle and Suzanne fielded a few questions on a “one to one” basis following the meeting.
- Both Willard Fields and Jim Huffman were in attendance at this meeting.
