

## *Relicensing Public Meeting Comments*

January 29, 2004

Individual	Comment Summary
Mike Sprague	<ul style="list-style-type: none"> <li>▪ District should spend money in the county on wildlife mitigation lands, particularly winter range for deer and sheep.</li> </ul>
Jack Speer	<ul style="list-style-type: none"> <li>▪ Spending mitigation and enhancements dollars eventually impact ratepayers; balance is the key. The District should ensure people can continue to enjoy low cost power.</li> </ul>
Bob Grieb	<ul style="list-style-type: none"> <li>▪ The Entiatqua trail has significant community support; the District should help to fund it.</li> </ul>
Tom Clark	<ul style="list-style-type: none"> <li>▪ Communication and community participation in relicensing effort is important; the dam affects the local community and the region.</li> <li>▪ The Rocky Reach dam should provide for boat passage.</li> <li>▪ The District should dispose of its 22 shoreline acres in Entiat.</li> </ul>
Tom Gash	<ul style="list-style-type: none"> <li>▪ The District should increase funds for wildlife and enhance winter range.</li> </ul>
Werner Janssen	<ul style="list-style-type: none"> <li>▪ How is an endowment fund different than the proposed recreation enhancement fund?</li> <li>▪ Do federal agencies receive relicensing funds and if so, why?</li> <li>▪ Why can't the District spend recreation dollars on the enhancement fund without FERC approval?</li> </ul>
Jon Eberle	<ul style="list-style-type: none"> <li>▪ Trails and parks are part of the valley's quality of life and economic development. The desire to take the recreation commitment to the next level is natural.</li> <li>▪ Will this community determine that its own destiny is more than power?</li> <li>▪ Can the District define the enhancement fund in a manner that can be expanded beyond the current proposal?</li> </ul>
Jerry Gutzwiler	<ul style="list-style-type: none"> <li>▪ Wildlife mitigation lands will be degraded by the addition of the Burch Mountain powerline. The District should consider</li> </ul>

	<p>specific mitigation steps suggested by District Fish and Wildlife Department employee Paul Fielder.</p>
Herb Troxel	<ul style="list-style-type: none"> <li>▪ The District should do more for wildlife by providing habitat enhancements away from the road and reservoir.</li> </ul>
Keith McManigal	<ul style="list-style-type: none"> <li>▪ District should help fund a trail from Wenatchee to Lake Chelan.</li> <li>▪ If the railroad from Wenatchee to the Canadian Border was no longer operating, the District should purchase it for trails.</li> <li>▪ The District should control noxious weeds in the Rocky Reach reservoir.</li> </ul>
Andy Dappen	<ul style="list-style-type: none"> <li>▪ The District should explain the net present value of the \$24 million expended for Rocky Reach park land acquisition and capital construction in Exhibit R so it can be compared to proposed expenditures.</li> <li>▪ The District should expand the park commitment and focus on trails as a high priority.</li> <li>▪ The District should work with the community to evaluate capital projects to ensure decisions provide a “good return” for recreational use.</li> <li>▪ The District should increase the recreation enhancement fund to \$400,000 annually.</li> </ul>
Bob Parlette	<ul style="list-style-type: none"> <li>▪ The District should not back off its recreation record and increase spending instead of decrease it.</li> <li>▪ The District should fund the recreation enhancement fund at \$200,000 minimum annually.</li> <li>▪ The District should develop the Weed Hart property.</li> <li>▪ The District should develop Turtle Rock as a new park.</li> <li>▪ The District should invest in Entiat Park.</li> <li>▪ The District should expand Chelan Butte facilities to include bathrooms.</li> <li>▪ The District should improve the Dole property with WDFW for recreation/environmental interpretation.</li> <li>▪ The District should work with the Port to fund a tourist train in</li> </ul>

	the Wenatchee Valley.
Chuck Largent	<ul style="list-style-type: none"> <li>▪ The District should fund recreation enhancement fund at \$250,000 minimum.</li> <li>▪ The District should fund a new boat barn in the Linden Tree area of Riverfront Park.</li> <li>▪ The District should create a park and recreation Advisory Board.</li> </ul>
Jacob Franklin	<ul style="list-style-type: none"> <li>▪ The District should explain trout stocking in the Entiat area and the redirection of the District's fish stocking efforts.</li> <li>▪ The District should explain redirection of utility privilege tax away from Entiat School District.</li> </ul>
Doug Pauly	<ul style="list-style-type: none"> <li>▪ The District should increase recreation commitment to a new level and increase the recreation enhancement fund amount.</li> <li>▪ The District should consider a future trail across the fish bypass system.</li> <li>▪ The District should improve Entiat Park.</li> <li>▪ The District should include additional wildlife measures.</li> <li>▪ The District should include additional funding for trails.</li> </ul>
R. Samuelson	<ul style="list-style-type: none"> <li>▪ District should have considered an alternative to the juvenile fish bypass system.</li> <li>▪ The District should not spend too much money on trails.</li> </ul>
John Samuelson	<ul style="list-style-type: none"> <li>▪ The District should consider the District's \$1 billion in debt when making relicensing decisions.</li> <li>▪ Commissioners should meet to discuss relicensing spending proposal in light of District debt.</li> </ul>
Margie Peterson	<ul style="list-style-type: none"> <li>▪ The District should update Entiat Park.</li> <li>▪ The District should provide offsite mitigation for Entiat through the recreation enhancement fund, including replacement of sandy beaches and development of ball fields.</li> </ul>

Betty Shreve	<ul style="list-style-type: none"><li>▪ The District should write a weekly PUD column and have it published in The Wenatchee World.</li></ul>
Ron Bruno	<ul style="list-style-type: none"><li>▪ The District should consider the impact of recreation spending on the availability of wildlife habitat.</li><li>▪ The District should spend equal amounts on wildlife projects. Specific suggestions: solar panels in winter water containers, tunnels for wildlife crossings in high traffic areas, and a deer fence in high wildlife vehicle impact areas.</li></ul>
