Notification of Rescheduled Completion Date for the Rocky Reach Trail

---

Good afternoon, Jon and Doug

This email is to notify you that the completion date for construction of the Rocky Reach Trail is rescheduled for June 2014. In our filing dated February 26, 2013, we anticipated completing the project in September 2013. Chelan PUD contracted this project to Washington State Parks. The delay is due to a longer than anticipated bidding process experienced by Washington State Parks last fall.

Upon completion, we will submit certifications of construction to PRO and as-built drawings within 60 days of completion to DHAC. If you have additional questions or need more information, please contact Ray Heit at (509) 661-4133.

Thank you,
