Subject: RRF: Revised Schedule for the Five-Year Biological Objectives Status Report
Date: Monday, April 14, 2014 12:51:28 PM

Hello RRF,

This is to let you know that Ecology approved a time extension on the Rocky Reach Five-Year Biological Objectives Status Report. Under the revised schedule, the draft report will be delivered to the RRF on 16 May. The RRF will have three weeks (17 May – 8 June) to review the draft document and provide comments to Chelan PUD. The final report is due on 13 June.

Please let me or Steve Hemstrom know if you have comments.

Thanks,
Tracy
