Dear Ms. Smith:

This is to acknowledge Mr. M. Gene Yow's March 13, 2009 letter transmitting three copies of the Ninth Chelan River Project Monthly Report for the Lake Chelan Hydroelectric Project, FERC No. 637. The report states work is progressing as planned. We have no comments at this time.

Thank you for your continued support in dam safety. This e-mail is being sent lieu of an acknowledgement letter. If you have any questions, please call me at 503-552-2717.
