Chelan PUD
Public Opinion Survey

KEY FINDINGS
April 29, 2019
Research
Purpose

• Understand Chelan County Public Utility District (Chelan PUD) customers’ perspectives, with an emphasis on:
  • Infrastructure aesthetics
  • Economic development role
  • Potential rate impacts

• Provide scientific, generalizable data
• Provide a baseline to inform communications and messaging
Scientific Survey of Chelan PUD Customers

- Size: n=600
- Sample: Chelan PUD customer list
- Mode: Mixed [online (76%) and phone (24%)]
- Survey length: 8-10 minutes
- Languages offered: English, Spanish
- Tested/Fielded: March 8-21, 2019
- Sponsor: Chelan PUD
1. Most customers are (97%) are at least somewhat familiar with the PUD and 60% are strongly familiar.

2. Chelan PUD’s affordable electric rates are strongly valued (64%).

3. Few (33%) are concerned with electric infrastructure aesthetics—concerns are higher among those with 2nd homes in the area.

4. A majority (57%) believe only those who directly benefit from powerline conversion should have to pay for it.

5. On average, customers are willing to spend $2-4 a month for an aesthetic improvement fund.

6. Few (28%) are strongly familiar with the PUD’s role in economic development.

7. Customers overwhelmingly (91%) believe the PUD should keep rates low to attract jobs and investment in the community.

8. A slim majority (52%) support making investments in infrastructure ahead of need, even if it increases rates.

9. The average amount customers are willing to pay for advance infrastructure build out is $2.00/month.

10. Customers want the PUD to prioritize affordability and reliability.
Most customers (97%) are at least somewhat familiar with the PUD and 60% are strongly familiar.

Q9 - How familiar are you with Chelan PUD?

60% Familiar/V. Familiar (NET)

Not at all familiar | Somewhat familiar | Familiar | Very familiar
2% | 37% | 34% | 26%

Those who are significantly more likely to be familiar/v. familiar with the PUD:

- In the region 20+ years (70%)
- Chelan Co. is their primary residence (65%)
Customers strongly value Chelan PUD’s affordable rates—64% do so.

Q10 - What is the one thing you value most about Chelan PUD?

- Affordable electric rates: 64%
- Reliable electric service: 20%
- Parks and rec. opps./ Rocky Reach: 5%
- Fiber connectivity: 3%
- Energy efficiency rebates, discounts: 3%
- Service/customer service: 1%
- All of the above: 2%
- Other: 1%
While affordability is highly valued across groups, feelings differ significantly by ethnicity, geography and time in the area.

Q10 - What is the one thing you value most about Chelan PUD?

On average, customers are willing to pay $2.00/month to cover the cost of building out infrastructure in advance of an actual increase in energy demand. 23% don’t want to pay anything.

Q18 - If Chelan PUD had to raise rates to cover the costs associated with building out infrastructure prior to an actual increase in energy demand, what is the most you would be willing to pay, in addition to your current costs, to cover this expense?

- Unsure: 9%
- $0: 23%
- $1: 14%
- $2: 15%
- $3: 10%
- $4: 1%
- $5: 28%

Average (median): $2.00
Customers want the PUD to prioritize affordability and reliability. Addressing visual appeal is not a top priority.

Q19 - To summarize your opinions, we'd like you to allocate a total of $10 across several potential Chelan PUD priority areas:
