

CYCLE OF PERSONAL OWNERSHIP

FEBRUARY 2019 WINNER

CHELAN COUNTY

CHRIS SHIMER AND CHRISTINA DETERING

During a fire drill and evacuation exercise at Rocky Reach, one of our employees exhibited confusion and disorientation. This employee went to a locker room to rest and regain composure. Soon afterward, Christina Detering and Chris Shimer (EMT) went to check on the employee and assess their condition. Chris requested an ambulance after his EMT assessment indicated that follow up medical attention was needed. Within two days of the fire drill, urgent surgery was performed on the employee.

Without the attention provided by Christina and Chris, this outcome may have been substantially different.
