# Electrification Topic Team

- Chartered with identifying how Chelan PUD could support electrification efforts in Chelan County
- 6 meetings
- Brainstorm ideas and review community input
- Approximately 60 ideas were reviewed
- Combined similar ideas into nine categories
- Culminated with recommendation of two options for public consideration
- The two options contain four specific actions

# Recommendations

- 1) Position Chelan PUD to lead by example regarding electrification.
  - a) Converting Chelan PUD fleet and other equipment to electric as appropriate.
  - b) Install charging stations at Chelan PUD facilities.
  - c) Appoint a staff person to be responsible for electrification opportunities
- 2) Get involved in electrification research and education
  - a) Be involved in regional activities including research and collaborate on electrification related education activities
