

# Clean Energy Implementation Plan

## Board of Commissioners meeting

December 20, 2021

# Why we're here – CEIP Public Hearing and Adoption of CEIP

## CEIP Public Input

- Two public comments have been received from the public since the Dec. 6 Board of Commissioners meeting.
  - *Both comments were encouraging the District to consider incentivizing rooftop solar*
  - *District will be considering initiating a new solar + program in 2022*

# Next Steps for CEIP Adoption

- **Schedule:**
  - Oct. 18 Board meeting: introduction of CEIP
  - Dec. 6 Board meeting: CEIP presentation
  - Dec. 20 Board meeting: public hearing and adoption of CEIP
  - By Jan. 1, 2022: Submit CEIP to Dept. of Commerce
- **Resolution Approving the District's 2021 Clean Energy Implementation Plan**
