

South Lakeshore Fiber Expansion Project Update

CHELAN COUNTY

Project
overview
and
timelines

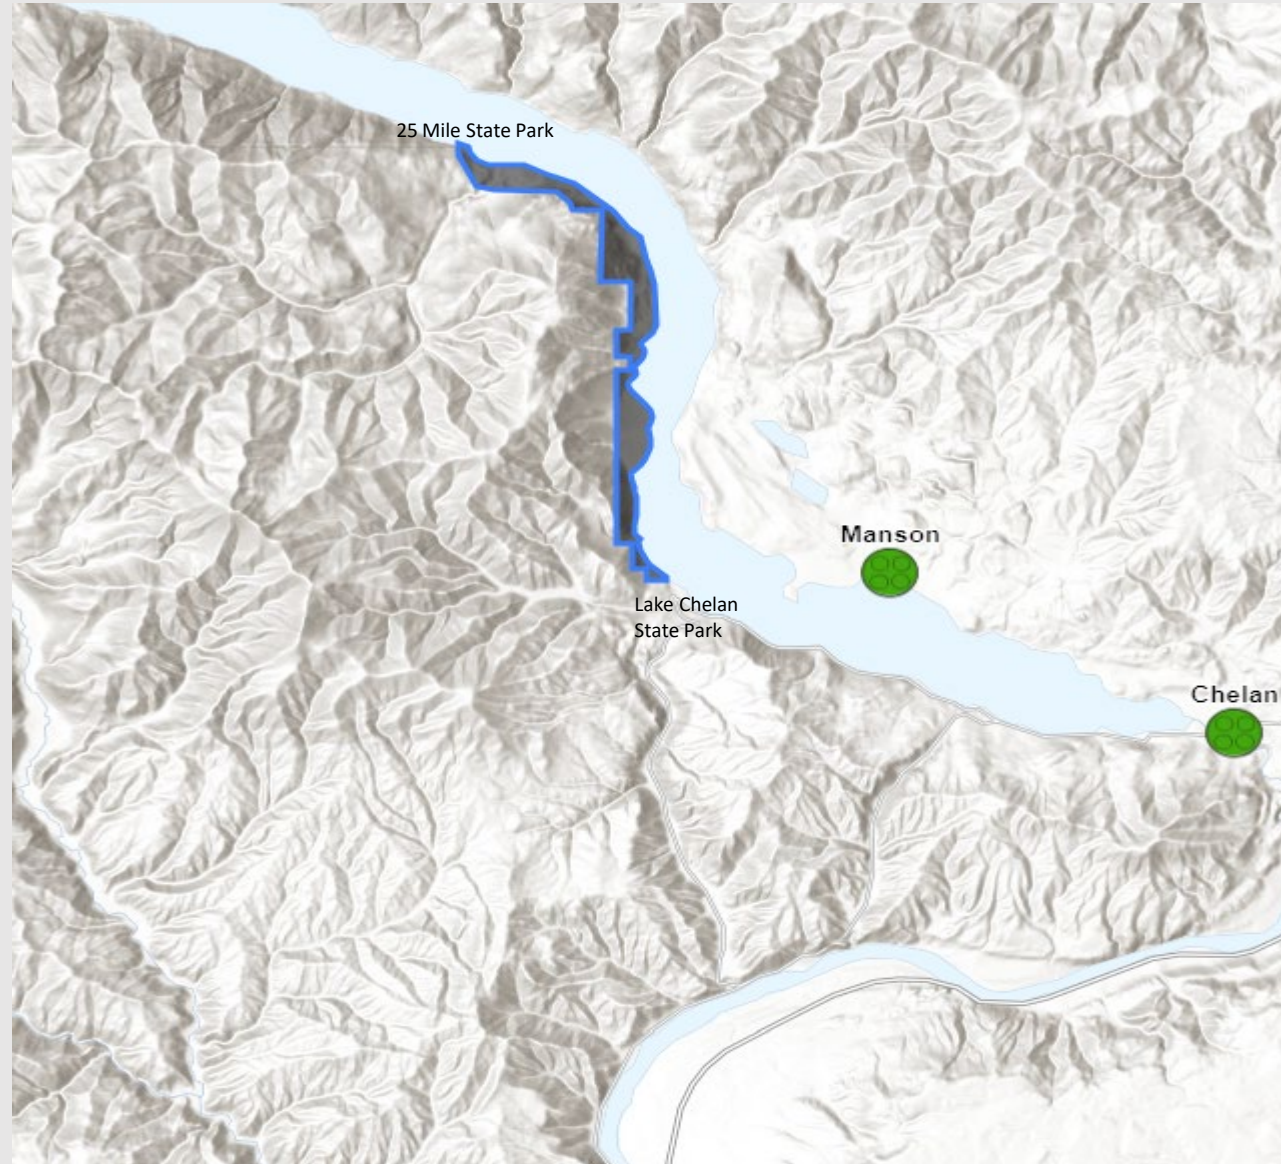

Chelan County PUD Fiber Expansion

Current Fiber Expansion projects are funded through the PUD's Public Power Benefit (PPB) program -- ***chelanpud.org/PPB***.

At the end of 2024, approximately 82% of the county had access to fiber services, and we are actively exploring additional areas for further expansion.

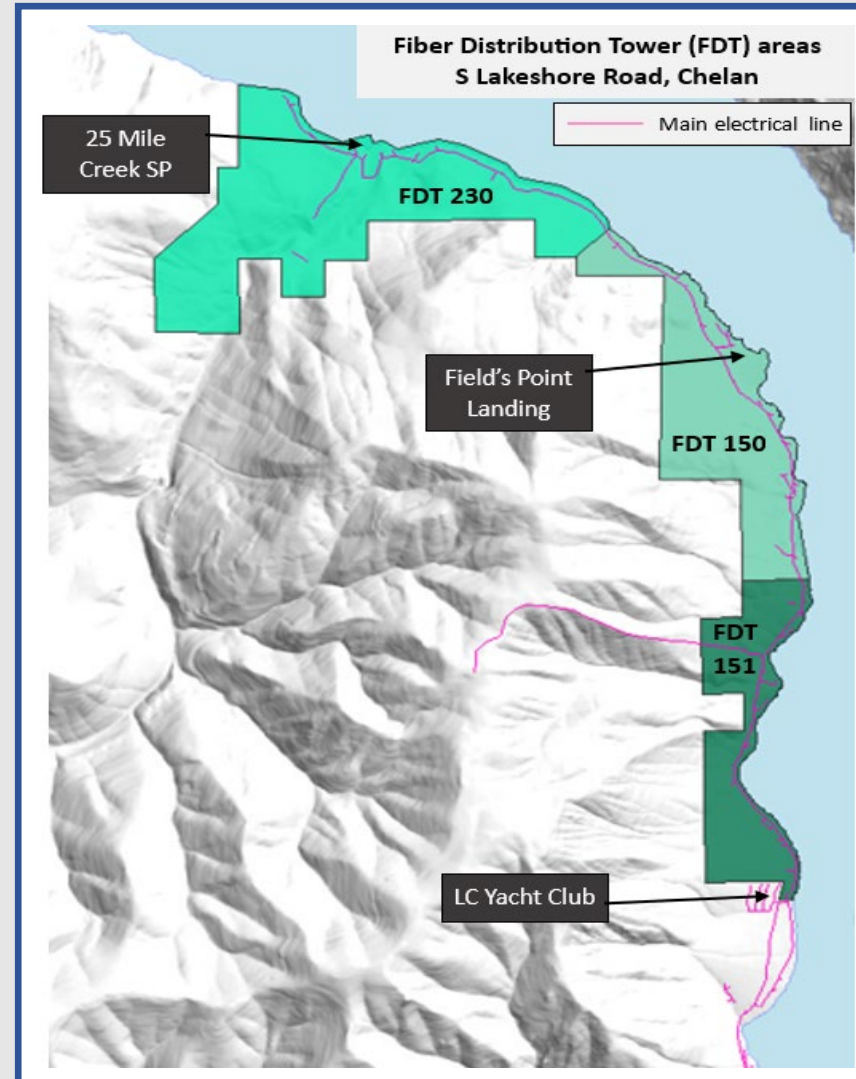

Project Area Overview

Project
overview
and
timelines

Phase 1 - Fiber Distribution Tower (FDT) Service Areas

Project
overview
and
timelines

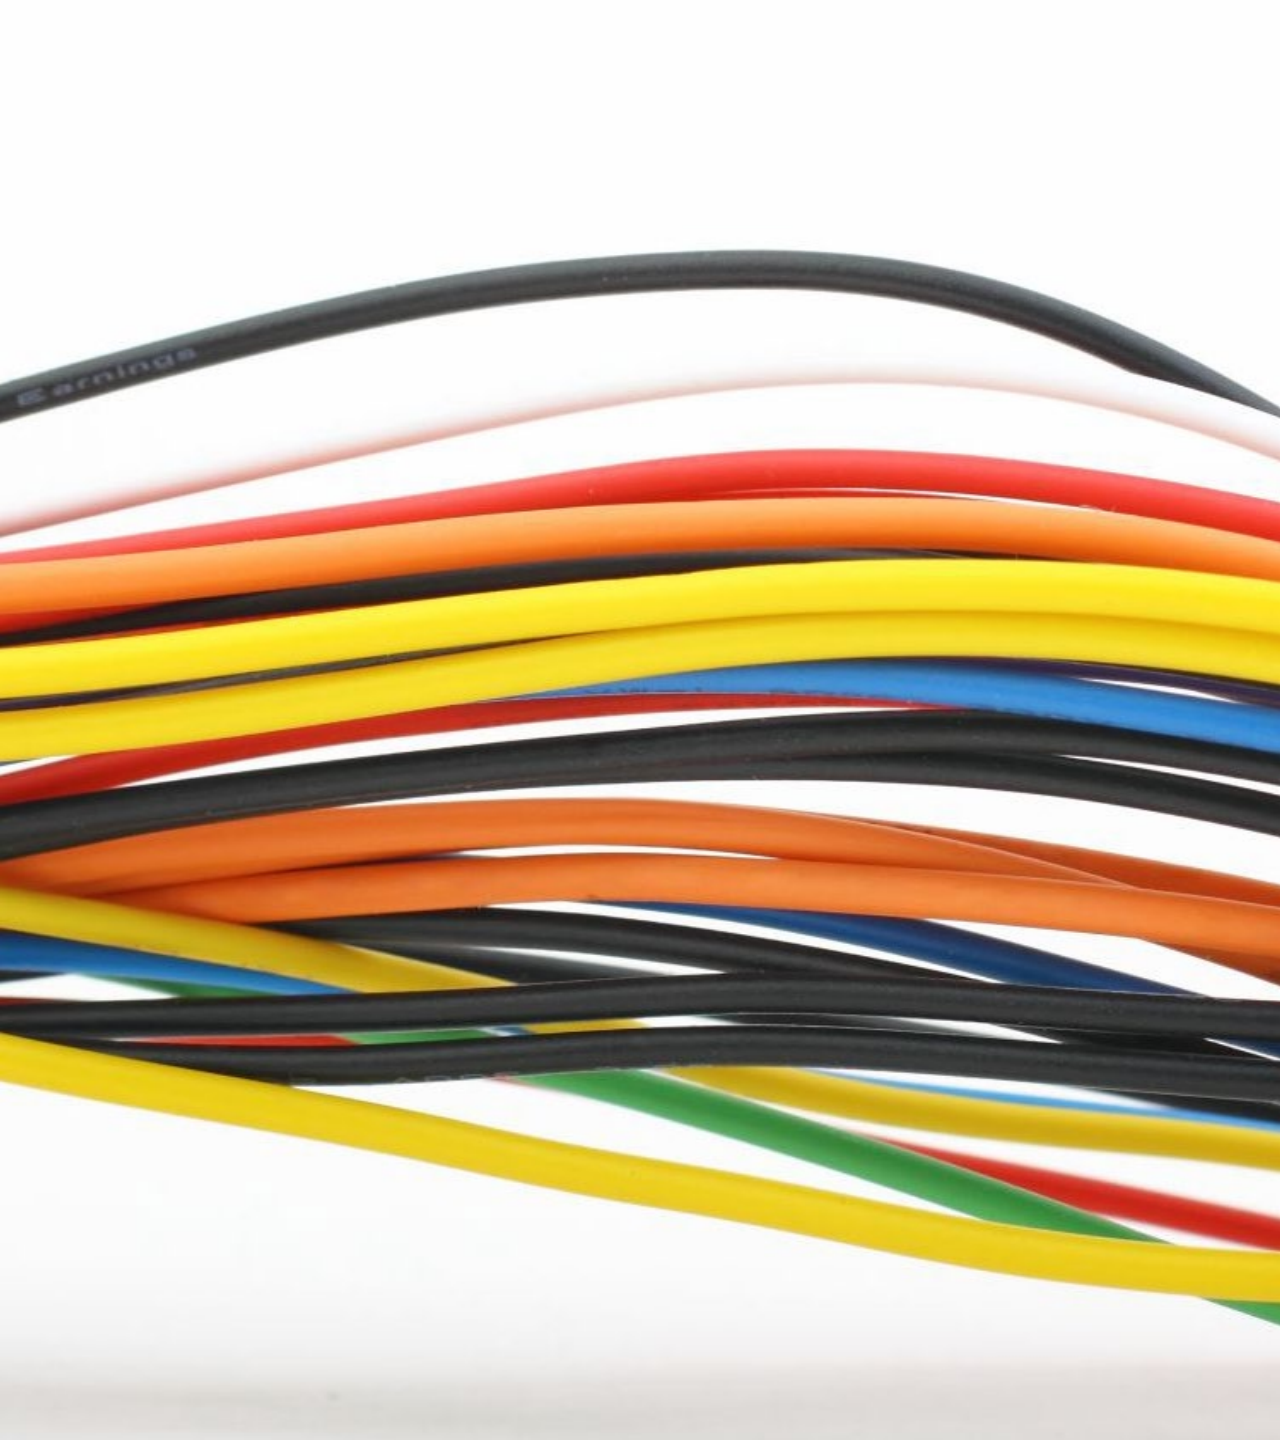

- In construction phase
- Expected distribution to be construction complete Q3 2025
- Service drops to begin Q3 2025
