

RESOLUTION NO. 07-18147

A RESOLUTION REPLACING RESOLUTION NO.  
1084, DATED SEPTEMBER 6, 1955, REGARDING  
DISTRICT BUDGET APPROVAL

**FACTUAL BACKGROUND AND REASONS FOR ACTION**

Public Utility District No. 1 of Chelan County (District) adopted Resolution No. 1084 on September 6, 1955 which established the procedures and timeline for preparing and submitting the District's proposed budget for the ensuing year to the District Commission for review and adoption.

Resolution No. 1084 provided that the proposed budget in preliminary form be filed in the records of the Commission on or before the first Monday in September.

By motion on August 29, 2005, and again on July 31, 2006, the District Commission moved the September filing to an October date in recognition of the fact that the September 1 filing date occurs prior to the Commission's review of the District strategies and before business units have prepared and submitted their preliminary budgets. Historically, the information contained in the preliminary filing has not been widely used and is significantly different from the information shared at the Preliminary Budget hearing which occurs on the first Monday in November.

District staff recommends that it is in the best interest of the District to combine the preliminary budget filing date with the preliminary budget hearing date, to be held on or before the first Monday in November.

The General Manager has reviewed staff's recommendation and concurs in the same.
