

Coyote Dunes: Recreational Protection & Safety

As you enjoy this area, please help us preserve its natural state for future generations.

PROTECTION:

Stay on paths

Pack it in, pack it out. Garbage receptacles are located on the Loop Trail.

No motorized vehicles

No camping

No digging or removal of plants, artifacts and other objects

Leave plants and habitats in their natural state; no wildflower harvesting.

Leash and clean up after your pet

SAFETY

River levels fluctuate quickly and without warning. Beware of submerged objects and swift currents.

No jumping or diving from shoreline area

Be aware that venomous snakes (rattlesnakes) and poisonous plants (poison ivy) may be present
