

**SITE PLAN SKETCH**

(attach separate sheet if needed)

- Please include:
- House and driveway
  - Fronting road
  - Crossroad
  - Septic and drainfield
  - Nearest PUD pole or transformer: provide identifying number if available and distance to meter base

Depending on the size of your project, you will be required to pay \$200 or \$450 to begin your line extension design. Meter and wire connection fees also may apply.
