

## Chelan County PUD Service Connection Fees Effective January 1, 2020

CHELAN COUNTY

### **Meter / Transformer fee and other service related charges expiring 12/31/2019:**

Customers with service connection fees quoted thru December 31, 2019 for electrical service will be allowed to pay connection fees at the 2019 rate. Customers must meet the following requirements:

- Service connection fees must be paid in full on or before April 1, 2020.
- Customers must make permanent connection on or before April 1, 2020.
- Any customer, who does not fulfill the above requirements, will be charged the increased connection fees to their account or payment will be refunded.
- Quoted service connection fees must be in writing and issued by a PUD representative.

### **New Capacity and other related fees and charges (Beginning 1/1/2020):**

Beginning January 1, 2020, all new services will be quoted and charged the new service connection rates if the customer cannot provide a documented quote issued by a PUD representative dated on or before to December 31, 2019.
