Subject: Advancedmeters

I have 2 properties on Meacham Rd. in Leavenworth (Plain) Wa. There are 3 power meters on these properties that are almost impossible for your meter reader to get to in the winter months. I would like to have all of my meters replaced as soon as possible for your benefit and mine.

Our addresses are 12384 Meacham Rd. (2 meters) and 12376 Meacham Rd. (1 meter). Main address is 1203 Washington St. Wenatchee. Please let us know when you are ready to install?

Thanks, Rod and Joan Mendenhall
