

## **VENDORS OF GOODS AND SERVICES**

Public Utility District No. 1 of Chelan County, Washington, is in the process of updating its vendor list. The purpose is to seek vendors not presently on the District's vendor list who can provide materials, equipment, supplies or services for the District. It is also required that the applicable Terms and Conditions be completed and returned to the address shown below in order to provide services and/or materials to the District.

Vendors interested in submitting an application may use the District's online application form on the District's Internet site at <http://www.chelanpud.org/vendors-of-goods-and-services.html>. A link to the online application and Terms and Conditions forms are located on this page.

Those vendors who do not have Internet access are invited to visit the Procurement and Contracts Department at Chelan County PUD, at the address below, and use a computer to complete the application and Terms and Conditions.
