

**2024 SNAP Annual Report:** Your support of the SNAP program is helping create a more renewable power in our communities.

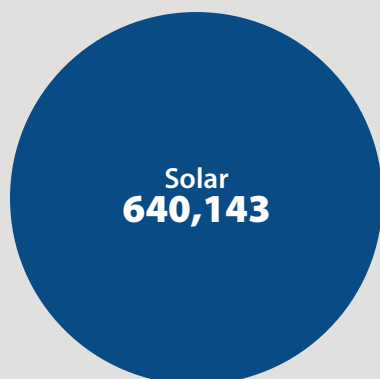

*Thank you!*

## YOUR CONTRIBUTIONS MAKE A DIFFERENCE

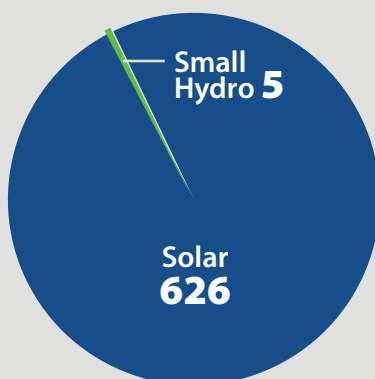

Since 2001, the SNAP program has linked local solar power producers — including individuals, schools, and nonprofits — with community members like you who choose to voluntarily contribute.

These contributions help fund local solar installations and increase access to clean energy across Chelan County.

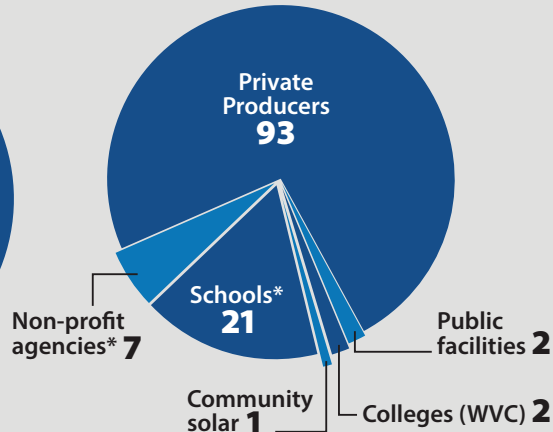

**Power Generated:**  
**640,143 kWh**  
Year ending 3/31/25

**Installed Capacity:**  
**631 kilowatts**

**SNAP Sites:**  
**126 Installations**  
\*Funded by Alcoa/IBEW

Equivalent to  
powering nearly  
**29** Chelan County  
homes last year.

CHELAN COUNTY

# SNAP ANNUAL REPORT

**Thank you!** Your support of the Sustainable Natural Alternative Power (SNAP) program is helping expand renewable energy right here in Chelan County.

Together, we’re growing a sustainable resource that complements our region’s abundant hydropower.
