Appendix D 401 Water Quality Certification Condition V.C.i)
Water Temperature Data Reports: 2019 July Monthly Reports

Dear Ecology Water Quality Program, Chelan River Fishery Forum, and Other Parties:

Water temperature monitoring data for the month of July 2019 is provided in the attached files. This information will be posted to the Chelan County PUD external website under "River Flows, Water Temperatures and Total Dissolved Gas" (link below).

<https://www.chelanpud.org/parks-and-recreation/river-flows-and-water-temperatures>

Data during times of maintenance, calibration, or other miscellaneous events has been denoted with "NA" to designate periods when data was either unavailable or inaccurate. Noteworthy events labeled with "NA" are explained below.

- There was a single hour of data missed for one data logger (End of Reach 3) during the downloading procedures.

Please feel free to call or email any questions or comments.

Scott Hopkins

Fisheries Biologist
