Purpose:
The purpose of the meeting is to develop study plan outlines for the high-priority issues associated with the Water Quality, Fish, Wildlife and Botanical resources that were identified on March 30 (issues), April 23 (goals) and May 12 (issues) and May 20 (studies).

Study plan outlines will be approximately one or two pages and will contain the following:

1. Study Title
2. Study Objective
3. Resource Goals
4. Information Needs
5. Level of Analysis (Study required)

***Note: Beginning in July, future meetings for Fish Group (Water Quality, Fish, Wildlife and Botanical) and the LARC Group (Land-use, Aesthetics, Recreation and Cultural) will be held on the same day. All future meetings will be held on the fourth Wednesday of every month. The Fish Group will meet from 10 to 1 and the LARC Group will meet from 2 to 5. Future meeting dates are July 22 (Wenatchee), September 23 (Chelan), and October 28 (Wenatchee). There will be no meeting in August and the November meeting will be combined with the Environmental Assessment Scoping Meeting (Chelan - date to be announced).***
